MINNESOTA BULLETIN NO. 190-4-6

SUBJECT: ECS – 2004 CTIC RESIDUE TRANSECT SURVEY

Purpose: To provide information on the 2004 CTIC Residue Survey partnership between NRCS, MASWCD, and individual SWCDs.

Expiration Date: September 30, 2004

Attached to this bulletin is an explanation and guidance for the 2004 CTIC Residue Survey partnership between NRCS, MASWCD and cooperating Soil and Water Conservation Districts. District Conservationists will share this information with your SWCD, determine the extent of their participation, and assist with any necessary coordination to complete this activity.

It is the intent of NRCS to complete the 2004 CTIC residue survey according to the guidance previously provided in MN Bulletin 190-4-5. Direct questions on the information contained in this bulletin through your Area office to Robin Martinek, Conservation Agronomist at 651-602-7866.
