MINNESOTA BULLETIN NO. 250-4-31

SUBJECT: FNM – MILEAGE CLARIFICATION

Purpose. To clarify reimbursement for mileage from residence to primary duty station.

Expiration Date. September 30, 2005.

Reimbursement for POV mileage to and from an employee's residence to their primary duty station will **not** be paid. As government vehicles are available for NRCS field work it has been determined that there is no advantage to the government for paying such personal commuting mileage.

This is effective immediately and will be incorporated into the next GM250 amendment.
