July 12, 2004

MINNESOTA BULLETIN NO. 260-4-21

SUBJECT: INF- JUNE 2004 PHOTO CONTEST WINNER

Purpose. To announce the winner of the June Photo Contest and provide information about the July Photo Contest.

Expiration Date. August 31, 2004.

**Bill Lorenzen**, St. Paul WRS Biologist, is the recipient of the June 2004 Photo Contest "Soils".

*"Area Resource Soil Scientist Mike Lieser is holding a MaCauley Peat Auger with a '746 Haslie muck soil profile, sampled from a Becker County wetland and displayed on the auger tool blade. Mike and Bill were working together out in a MN DNR State Wildlife Management Area (WMA) which is within the proposed Upper Pelican River PL 566 Watershed Project near Detroit Lakes, MN. The soil sampling was completed the first week of June, 2004 using an Argo which is a tracked all terrain vehicle to access the 500 acre WMA cattail wetland"*

All of the photos that were submitted were all of very high quality and we appreciate those NRCS employees who participated. The July 2004 photo theme is, **Conservation Practice Construction**. We encourage all NRCS employees to participate. Submit your digital photos to Julie MacSwain, Public Affairs Specialist at 651-602-7859 or e-mail [julie.macswain@mn.usda.gov](mailto:julie.macswain@mn.usda.gov)
