MINNESOTA BULLETIN NO. 260-5-2

SUBJECT: INF – ANNUAL DIGITAL PHOTO CONTEST

Purpose. To provide information.

Expiration Date. September 30, 2005.

During fiscal year 2004, Minnesota NRCS has had a successful Digital Photo Contest. The level of participation in the contest has been outstanding and your continued participation is encouraged.

The program is designed to recognize the winners of our monthly contest. The monthly winners will be receiving a plaque. Additionally, each month the *Photo of the Month* will be matted and framed for display in the NRCS State Office Conference Room. The State Office will maintain a photo gallery of 12 photos.

Employees who have won the contest will receive their matted and framed photo from the State Office photo collection. The collection will continue to be rotated ensuring that no more than 12 photos are on the Conference Room wall at any time. A calendar for 2005 will be made which will include the various photos of the month winners from 2004.

Keep up the good work on taking pictures. Your efforts are appreciated. If you have any questions about the Digital Photo Contest, please contact Julie MacSwain, Public Affairs Specialist.
