MINNESOTA BULLETIN NO. 300-7-26

SUBJECT: LTP – EQIP–2008 START WAIVERS AND DESIGNATED AUTHORITY

Purpose. To designate approval authority for starting practices prior to contract approval.

Expiration Date. September 30, 2008

Practices started or completed prior to an EQIP application being submitted are not eligible for cost-share or incentive payment. Approved applicants who start a practice before the formal contract is signed by NRCS are ineligible to receive payment for that practice unless a waiver has been granted. Applicants may request the State Conservationist or designee to grant a waiver if the practice had not been started at the time of the EQIP application.

This bulletin authorizes the Designated Conservationist to approve waivers for starting practices. Attached is a waiver form that must indicate the practice requested, be signed by the applicant and approved by the Designated Conservationist. A copy should be given to the applicant and original retained in the file. Waiver applications are valid only for the fiscal year (FY) in which they are applied. Waiver applications approved for in FY 2008 expire September 30, 2008.

As stated on the waiver, applicants must understand that the waiver does not guarantee contract approval or payment. Only those applications that are currently marked as “Eligible” in Protracts shall be eligible for a waiver.

Questions should be directed to your Assistant State Conservationist (FO) or through the area to Tim Koehler, Assistant State Conservationist (P).
