

Environmental Quality Incentives Program

2012 EQIP Signup

Minnesota Supplement for:
Practice Standard 645 – Upland Wildlife Habitat Management

Supplemental Criteria

1. Payment is only authorized when a Wildlife Management Plan has been developed that identifies the species being addressed and needed practices.
2. Pollinator habitat payment is authorized on all eligible 645 acres, not to exceed 3 payments. To receive the payment the management plan must meet the 645 standard AND the Pollinator guidelines to accomplish season long flowering on the enrolled field. Meeting these requirements will necessitate the use of native plant materials.
