

Local Work Group development of local EQIP.

RICE SOIL AND WATER CONSERVATION DISTRICT FY07 EQIP

1. List the local resource concerns that EQIP can address:

Soil Erosion

Water Quality

Pasture condition and Grazing concerns

Woodland condition and Forestry concerns

Invasive Species problems

Animal Agriculture problems

2. If applicable, list any geographic regions (i.e. watersheds, townships, etc.) and their respective resource concerns within the District to receive priority:

Falls Creek Watershed , east of Faribault.

3. From items 1 & 2 above prioritize the local resource concerns to be addressed with EQIP funding for the district. Describe a minimum of 3 categories of the highest priority applications which you would want to receive funding.

Soil Erosion issues related to Corn-Soybean rotations.

Water Quality issues related to Animal Agriculture and row crop farming.

Pasture condition and grazing concerns on marginal cropland.

4. Develop a minimum of 3 and maximum of 12 yes/no questions to determine if an application is addressing the high priority concerns described in item 3.

1. Does the application demonstrate no-till/strip-till techniques on all crops in rotation? 25 pts.
2. Does the application demonstrate no-till/strip-till techniques for Corn following soybeans? 15 pts.
3. Does the application include Tree Planting, Forest Stand improvement, or Invasive species control in woodland? 10 pts.
4. Is the practice on HEL? 5 pts.
5. Is the land area in the Falls Creek Watershed? 5

5. **Assign points to the questions in Item #4 as desired to reflect local priorities. The total points assigned to the questions must equal exactly 40 points.**
6. **Submit this worksheet to your respective ASTC(FO). After approval from the state office, the questions will be entered into the Local Issues section of the ranking tool.**
7. **List any recommended practices to be deleted from the state Conservation Practice Payment Document**
 - 595 Pest mgmt;
 - 328 Crop Rotation One Time

The local EQIP program description, cost-share docket changes, and ranking worksheet must be reviewed and approved by the State Conservationist before any EQIP contract is approved and signed.

This document serves as the Local Work Group recommendation for FY 07 EQIP. Attached is a roster of participation in the Local Work Group.
